Executive Summary

Danbar Healthcare Analytics, LLC (DANBAR), is an experienced healthcare staffing company placing locum tenens in clinics and hospitals nationwide for federal, state and commercial clients. Our medical professionals are skilled in Trauma, Acute Care Surgery, Surgical Critical Care, Advanced Minimally Invasive Surgery, Pediatric, Family Medicine, Mental/Behavioral Health, Bariatric Surgery, Comprehensive Weight Management, and Laparoscopic Hernia Repair. Founded by Dr. Omar Danner, DANBAR is a physician and minority-owned small business headquartered in Washington, D.C. with offices in Atlanta, GA.

Core Competencies

DANBAR provides locum tenens and permanent healthcare staffing for clients at the county, state and federal level. Locum tenens represent cost-effective and efficient solutions for hospitals and clinics. We have a vast network of providers in a variety of specialties to meet the urgent needs of our clients. On average our locum tenens possess over a decade of experience in providing medical care to patients with no malpractice lawsuits. DANBAR is positioned to support temporary and long-term assignments. Our successful recruiting and staffing plan has led to high retention of physicians, reoccurring assignments and overall employee satisfaction.
